FINGERPRINT NECKLACES OR KEY RINGS

The reverse side of the charm can feature an additional engraving, such as a term of endearment or a special message. Each charm comes with a silver chain included. Whether you choose a necklace or a key ring, these unique keepsakes are sure to be treasured.

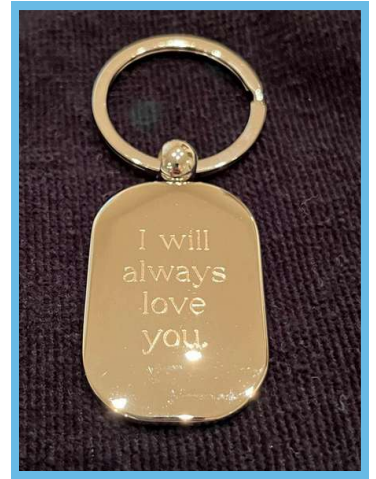

PHOTO NECKLACES

Photo necklaces are treasured keepsakes. Each necklace features an enameled image of either a parent or a parent with their child. A silver chain accompanies every photo charm, adding to its charm. These necklaces serve as a heartfelt reminder of the love and bonds shared within a family, especially during times of loss. Each piece, crafted with care and encased in durable clear resin, holds a cherished photo that captures a moment in time. As you wear these necklaces, they will undoubtedly evoke warm memories and a sense of closeness, keeping the spirit of your loved one alive in your heart.
