

CINCO DE MAYO

VIVA LA FIESTA!

MAY 2, 2025

CHAMPIONS RUN

MEMORIES *for kids*

Let's celebrate Cinco de Mayo early with our very own Viva La Fiesta!

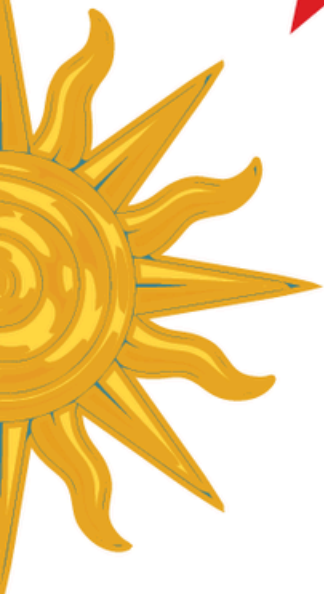

Join the Memories for Kids Guild for a day of celebration and giving! Our eighth annual spring event will celebrate our sponsors and donors, family memory recipients and the mission of Memories for Kids.

- The festivities begin in the morning on social media as we highlight past memory recipients, recognize our donors, and provide updates using our real-time donation tracker.
- Donors choosing giving levels that include food and beverage packages will receive a lunchtime meal. Treat your friends or team and spread the mission!
- Supporters giving at or above the Chips and Salsa Donor level are invited to join us for the FIESTA happy hour at Champions Run, 13800 Eagle Run Drive, Omaha, NE.

Memories for Kids is celebrating 14 years of creating lifelong memories for children who have a parent with stage IV cancer. Families have traveled to destinations like Disney World, Legoland in Kansas City, and Universal Studios. They've experienced golf trips to Arizona and Cubs games in Chicago. We have given keepsake items, such as fingerprint necklaces and photo blankets, when a parent is in hospice and unable to travel. Our goal is to help children build a special memory with their family during a time that is otherwise difficult and filled with sadness.

Help us continue to make an impact by giving today!
