## Let's celebrate Cinco de Mayo early with our very own FIESTA!

Join the Memories for Kids Guild Board for a day of celebration and giving! Our eighth annual spring event will celebrate our sponsors and donors, family memory recipients and the mission of Memories for Kids.

- The festivities begin in the morning on social media as we highlight past memory recipients and recognize our donors.
- Donors choosing giving levels that include food and beverage packages will receive everything they need for an office snack or happy hour. Treat your friends or team and spread the mission!
- Supporters giving at or above the Chips and Salsa Donor level are invited to join us for the Happy Hour Fiesta at Champions Run, 13800 Eagle Run Drive, Omaha, NE.

Memories for Kids is celebrating 15 years of creating lifelong memories for children who have a parent with stage IV cancer. Families have traveled to destinations like Legoland in Kansas City, the lakes in Okoboji, and the Black Hills. They've experienced Vikings games in Minneapolis, Cubs games in Chicago, and hiking in Colorado. We have created behind-the-scenes experiences at the Omaha's Henry Doorly Zoo and Aquarium, and given keepsake items such as fingerprint necklaces and photo blankets, when a parent is in hospice and unable to travel. Our goal is to help children build a special memory with their family during a time that is otherwise difficult and filled with sadness.

**Help us continue to make an impact by giving today!**
